PETITIONS, BILLS AND RESOLVES REQUIRING REFERENCE

Resolve, Establishing the Commission To Study the Incidence of and Mortality Related to Cancer (EMERGENCY)

(H.P. 1143) (L.D. 1574)

Sponsored by Representative McCABE of Skowhegan.

Approved for introduction by a majority of the Legislative Council pursuant to Joint Rule 205.

Committee on **HEALTH AND HUMAN SERVICES** suggested.

Under suspension of the rules, the Resolve was given its **FIRST READING WITHOUT REFERENCE** to a committee.

Under further suspension of the rules, the Resolve was given its **SECOND READING WITHOUT REFERENCE** to the Committee on **Bills in the Second Reading**.

The SPEAKER: The Chair recognizes the Representative from Newport, Representative Fredette.

Representative **FREDETTE**: Thank you, Mr. Speaker. Mr. Speaker, Ladies and Gentlemen of the House. As this body is aware, the initial study in regards to the incidence and mortality related to cancer was vetoed by the Chief Executive, primarily on the grounds that the language in the Resolve allowed the President of the Senate to make appointments. In the Legislative Council, yes, this issue was discussed. That language was removed as part of this bill to remove the issue raised as a concern by the Chief Executive and therefore we are in support of the Resolve. Thank you.

The SPEAKER: The Chair recognizes the Representative from York, Representative McGowan.

Representative **McGOWAN**: Thank you, Mr. Speaker. Mr. Speaker, Ladies and Gentlemen of the House. The education of a new legislator goes on. I had the pleasure of speaking to a number of the Republican caucus members in the other body after your generous support for this bill yesterday, and what came from those discussions was agreement that with one small change we could bring the House, the other body, and the Chief Executive together to support this bill. I welcome all of you to an opportunity to show strong support for this bill, to be able to take back to our constituents that we all came together and agreed that this was worthy of some focus and investment on the part of our state. Thank you, Mr. Speaker.

Under further suspension of the rules, the Resolve was **PASSED TO BE ENGROSSED** and sent for concurrence.

By unanimous consent, all matters having been acted upon were **ORDERED SENT FORTHWITH**.

The House recessed until the Sound of the Bell.

(After Recess)

The House was called to order by the Speaker.

The following items were taken up out of order by unanimous consent:

On motion of Representative ROTUNDO of Lewiston, the following Joint Order: (H.P. 1144)

READ.

The SPEAKER: The Chair recognizes the Representative from Lewiston, Representative Rotundo.

Representative **ROTUNDO**: Thank you, Mr. Speaker. Mr. Speaker, Men and Women of the House. This recalls the budget errors bill from the Governor's desk so that one additional minor change can be made to the bill. Thank you.

Representative EVES of North Berwick moved that the House **RECEDE AND CONCUR**.

The **SPEAKER**: The Chair recognizes the Representative from Freedom, Representative Jones.

Representative **JONES**: Thank you. The Senate Amendment that comes before us on this bill guts the intent of the original legislation. Specifically, this Senate Amendment deletes the mandate that the department respond to petitions from industry to establish alternative reporting thresholds for chemicals. This deletes the mandate that the department respond to information submitted in support of adding chemicals to the list of chemicals of concern, chemicals of high priority. This deletes the mandate that the department expand its education and assistance program and consult with the Maine CDC to review available information. This Senate Amendment prevents the department from exercising its expanded

discretionary authority to adopt rules to require manufacturers and distributors to report to the state their use of chemicals of high concern in children's products. Mr. Speaker, this amendment limits the scope of reporting of priority chemicals in food and beverage packaging to only the largest manufacturers by deleting distributors from the reporting requirements. One more thing, Mr. Speaker. This requires the department to carry out the remaining provisions of the bill within existing resources. Quite frankly, the motion on the table is to Recede and Concur. I don't know the parliamentary procedure, but I request respectfully that we table this for further consideration. If that's not possible, I request a roll call on the motion to Recede and Concur. Thank you, Mr. Speaker.

The same Representative **REQUESTED** a roll call on the motion to **RECEDE AND CONCUR**.

More than one-fifth of the members present expressed a desire for a roll call which was ordered.

READ.

The SPEAKER: The Chair recognizes the Representative from Brooksville, Representative Chapman.

Representative **CHAPMAN**: Thank you, Mr. Speaker. I am wondering if the text of the Joint Order is available to us in any form, whether by paper or on the Paperless Chamber.

The SPEAKER: It is on Supplement Number 25. The Chair recognizes the Representative from Newport, Representative Fredette.

Representative **FREDETTE**: Mr. Speaker, I find sufficient confusion, amongst at least myself and I think my caucus, as to what's actually being voted on. I guess if I would ask a question through the Chair, if someone could at least verbally tell us on what the Joint Order Amended is, I think it could give us some direction.

On **POINT OF ORDER**, Representative **FREDETTE** of Newport asked the Chair to clarify the pending question.

The SPEAKER: The Chair will clarify what is before the body. This is a Joint Order related to a matter that the Legislative Council took up as it related to a study that we were funding on hospital transparency. This is changing the Joint Order. We need to suspend the rules in order to change the Joint Order, which requires a two-thirds vote of the members present and voting.

The Chair clarified the pending question.

The SPEAKER: The Chair recognizes the Representative from Newport, Representative Fredette.

Representative **FREDETTE**: Thank you, Mr. Speaker. So is the vote simply a vote to elect to amend to allow us to permit to amend the order. Is this a vote on the substance of the Joint Order or allow us to vote to amend to allow us to then take the vote? So is it a two-step process? That's what I'm asking.

The SPEAKER: What is currently before the body is a motion to pass this Joint Order. The Chair recognizes the Representative from Freedom, Representative Jones.

Representative **JONES**: Thank you, Mr. Speaker. Mr. Speaker, Men and Women of the House. I think I can clarify this a little bit. House Paper 1123...

The SPEAKER: Will the Representative defer? The Chair would advise the Representative from Freedom, Representative Jones, it is not a roll call.

Pursuant to Joint Rule 102, this Joint Order required the affirmative vote of two-thirds of those present for passage. 67 having voted in the affirmative and 41 in the negative, 67 being less than two-thirds of the membership present, the Joint Order **FAILED PASSAGE** in **NON-CONCURRENCE** and was sent for concurrence.
